## 1. Introduction

National Institute of Technology Delhi (NITD) is one of the thirty NIT (s) established in the year 2010 by an act of parliament and has been declared as an Institute of National importance. NIT Delhi is an autonomous Institute which functions under the aegis of Ministry of Human Resource Development, Government of India. It aims to provide education and research facilities in various disciplines of Engineering, Science and Technology, Management, Social Sciences and Humanities for advance learning and dissemination of knowledge. The mission of NIT Delhi is to produce human resource those who are creative, competitive and innovative with high intellect and ethical values. The Institute is imparting holistic education, along with inculcating high moral values in its students. NIT Delhi has started its academic session in 2010 with three undergraduate B. Tech. degree programmes in Computer Science and Engineering, Electronics and Communication Engineering and Electrical and Electronics Engineering. The academic activities of NIT Delhi were initiated at NIT Warangal in year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and now currently running at Narela (February 2014). Possession of fifty one acre land has been allotted for permanent campus of NIT Delhi on NH-1, Narela sub city, New Delhi. The process of developing the permanent campus has been initiated.

## 2. Departments

The various Departments at NIT Delhi and their two-letter codes are given below.

S. No.	Name of the Department/ Branch	Sub-Branches	Code
1.	Applied Sciences		AS
		Chemistry	CY
		Mathematics	MA
		Physics	PH
2.	Computer Science and Engineering		CS
3.	Electrical and Electronics Engineering		EE
4.	Electronics and Communication Engineering		EC
5.	Mechanical Engineering		ME
6.	Humanities and Management		HM

## 3. B. Tech. Programmes Offered

Under Graduate (B. Tech. Degree) programs are offered in the following disciplines:

- i) B. Tech. in Computer Science and Engineering.
- ii) B. Tech. in Electrical & Electronics Engineering.
- iii) B. Tech. in Electronics and Communication Engineering.

#### 4. Academic Session

**Academic Calendar:** The academic year is divided into two semesters: Autumn (July to December) and Spring (January to June). Each semester will normally be of 18 weeks, which includes end semester examination. It may be ensured that the number of effective teaching days in a semester is 72.

#### 5. Admission Procedure for UG Students

- i. Admission at National Institute of Technology Delhi will be made in accordance with the instructions received from the Ministry of Human Resource Development (MHRD) Government of India and based on the nation wise counseling through CSAB. Reservation policy is maintained as per the guidelines issued by MHRD, Government of India.
- ii. Admission to all Under Graduate (UG) courses will be made in the autumn semester of each academic session at the first year level based on the relative performance in the Joint Entrance Examination (JEE) as per the guidelines issued by the MHRD, Government of India. The candidates should have passed the 10+2 examination.
- iii. A limited number of admissions are offered to Foreign Nationals and Indians living abroad in accordance with the rules applicable for such admission issued by MHRD, Government of India under the scheme of Direct Admission of Students Abroad (DASA).
- iv. If any time after admission, it is found that a candidate has not fulfilled all the requirements stipulated in the offer of admission, in any form what so ever, the office of Dean Academics shall report the matter to the Senate recommending for canceling the admission of the candidate.
- v. The institute reserves the right to cancel the admission of any student and ask him/her to discontinue his/her studies at any stage of his/her career on the grounds of indiscipline or any misconduct.
- vi. The decision of the Senate regarding the sections (iv) & (v) above is final and binding. Candidates must fulfill the medical standards required for admission as prescribed in the Institute Information Brochure or the Prospectus.
- vii. Every Under Graduate (UG) student of the Institute shall be associated with parent department offering the degree programme that the student undergoes, throughout his/her study period.
- viii. All relevant details and admission procedure is available at Institute's website: [www.nitdelhi.ac.in](http://www.nitdelhi.ac.in).

## 6. Registration

Registration is an important and semester wise mandatory procedure of the academic system. The registration procedure ensures that the student's name is on the roll list of each course that he/she wants to study. No credit is given if the student attends a course for which he/she has not registered.

- i. Every student must be present in person and register at the commencement of each semester on the day(s) fixed for and notified in the Academic calendar as well as through proper circulations.
- ii. Registration for all courses is online/offline and organized centrally by the academics office/ERP office in coordination with respective academic departments.
- iii. After registration in each semester, each student should submit a copy of the registration form (self attested) along with a copy of fee receipt (duly verified by Accounts section) to the concerned office of Head of the Departments, which indicates the courses registered by him/her in that semester. Otherwise, registration will not be considered complete.
- iv. Registration by a student confirms his/her status as a student at the Institute. Failure to register before the last date for registration (as indicated in the Academic Calendar) will imply that the student has discontinued studies and his/her name will be struck-off the rolls for that semester.
- v. Every registered student is considered as a full-time student of the institute. They are expected to be present at the Institute and devote full time to academics.
- vi. A student must register a fresh course in study mode only. In case of backlog course with F or I grade, the student has the option to register either in study or examination mode.
- vii. In case, a student registers a course in study mode, he/she must fulfill all the attendance requirements and he/she will be evaluated for continuous evaluation, mid semester examination and end semester examination (as per assessment of academic performance given in **Section 11**).
- viii. In case, a student registers a course in examination mode, there will be no attendance requirement and the student is eligible for end semester examination only. In such cases, student securing 30% or more marks in end semester examination shall be awarded only 'D' grade otherwise 'F' grade will be awarded.

### 6.1 Advice on Courses

At the time of registration, each student must consult his/her Academic Counselor/ Head of the Department, to finalize the academic programme, keeping in view factors, such as, minimum/maximum numbers of total and lecture credits, past performance, backlog of courses, CGPA, pre-requisite, work load and student's interests, amongst others.

## 6.2 Registration Validation

Before the first day of classes, every student is required to be present on campus and validate his/her registration. The updated registration record will be available with the department and the copy will be available with the programme coordinator. After registration in each semester, each student should submit a copy of the registration form (self attested) along with a copy of fee receipt (duly verified by Accounts section) to the concerned office of Head of the Departments, which indicates the courses registered by him/her in that semester. Otherwise, registration will not be considered complete

## 6.3 Late Registration

Late registration is permitted under special circumstances only, up to the deadline (Registration with Late Fees) mentioned as per the academic calendar with the permission of Dean (Academic) on the recommendation of respective Head of the Departments (HOD) with payment of late registration fees. No request for registration will be entertained after the last date of registration (with late fee) mentioned in academic calendar / or notified by the academic office, under any circumstances.

## 6.4 Registration and Fees Payment

Every registered student must pay the stipulated fees in full before the specified deadlines. The student must pay the fee prescribed for each course registered in study mode and examination mode. In the event that a student does not make these payments, he/she will be de-registered from all courses and his/her name will be struck-off from the roll list. Kindly note, within the deadline of registration, student's has to submit the online generated registration form (Self attested) along with the fee receipt (verified by Accounts section in support of his/her fee submission) to the office of concerned Head of the Departments, otherwise registration will not be considered completed.

The detailed fee structure based on the year of first registration/ admission is provided in the Institute website ([www.nitdelhi.ac.in](http://www.nitdelhi.ac.in)) (Academics --> Fee Structure).

## 6.5 Registration Record

In addition to web-based entries related to registration, the student should ensure that the same are entered on the Registration Record. Queries related to registration will be considered only accompanied by the original Registration Record. This record must be preserved until the semester grade card is received by the student.

### 6.6 Provision for Re-Registration of Student who did not Register in a Semester

If a student fails to register in a semester within the stipulated time mentioned in the academic calendar and subsequently he/ she is intended to register in any of the coming semester, his/ her request for registration may be considered by the competent authority subject to following conditions:

- i. He/ she will have to pay the registration fee, tuition fee etc. in all the previous semesters for which he/she remained absent without any valid permission.
- ii. In addition to above, he/ she will have to pay a penalty of Rs. 10, 000 per semester in all the previous semesters for which he/she remained absent without any valid permission.
- iii. No registration in between the semester will be allowed and will only be followed according to the dates mentioned for registration in Academic calendar.
- iv. In case of such absence without prior approval, the rule for minimum period required (according to regulations) time to confront student's degree, shall not be violated.
- v. No request by the student in such cases for special examinations/ any alternations etc. will be entertained, under any circumstances.

### 6.7 Change of Branch

Student admitted to a particular branch of the B. Tech course will normally continue studying in that branch till completion. However, under special circumstances, the Institute may permit a student, admitted through AIEEE to change from one branch to another after the first year only. Such changes will be permitted strictly in accordance with the previous laid down hereafter.

The details are provided in the Institute website ([www.nitdelhi.ac.in](http://www.nitdelhi.ac.in)) (Academics --> Request Forms --> Branch Change Form).

- 6.6.1 Only those students will be eligible for consideration for a change of branch after the First Year Second semester, who have:
  - (a) Completed all the credits prescribed in the First Year (including both Semester I and II).
  - (b) Obtained a CGPA of not less than 8.5 at the end of First Year in single attempt only.
- 6.6.2 Students who have a year back are not eligible to apply.
- 6.6.3 Application for the change of branch shall be made through proper application (available in the website under Academics section --> Request Forms) only in continuation with notice from Academics section.
- 6.6.4 After last date of application no applications will be entertained and once application is submitted, choices cannot be modified.
- 6.6.5 Applicants are allowed to opt for a single choice only.

- 6.6.6 Change of branch shall be made on the basis of merit of the applicants, for which the CGPA obtained at the end of first year will only be considered. Ties will be resolved by the AIEEE rank of the applicant.
- 6.6.7 The applicants may be allowed a change of branch, strictly in the order of merit subject to the limitation that the present strength of students in any branch at most can be increased by three.
- (a) Subject to the condition that the student strength in a particular branch from which transfer is made, does not fall below 85 % of the existing strength.
- (b) For any reason, if a student denied to change of branch, no other student with a lesser CGPA should be permitted for change into that branch.
- 6.6.8 All changes of branch will be final and binding on the applicants. No student will be permitted under any circumstances to refuse the change of branch offered.
- 6.6.9 Change of branch will be notified by the office of Academics within 7 working days of the last date of application.

## 7. Attendance Rules

Following are the mandatory rules relating to attendance requirements:

- i. Every student is expected to have 100% attendance in each course in which he/she is registered for study mode
- ii. All students must attend every lecture, tutorial and practical classes. However, to account for late registration or medical/health reasons or other such contingencies, the attendance requirement will be **a minimum of 75%** from the commencement of classes till last teaching day.
- iii. If a student has less than 75% attendance in a course during the semester, the student will not be allowed for end-semester examination and 'R' grade will be given in that course.
- iv. To promote extra-academic/ extra-curricular activities, attendance of maximum 5 working days will be relaxed for those students who are officially representing NIT Delhi in cultural/sports/academic events, organized at National and International levels with prior approval of the Institute only.
- v. For such above, students have to take prior approval from concerned section/ competent authority and subsequently submit the approval to the office of concerned HoDs/ course instructors to receive such attendance immediately after joining the Institute after

availing such leave.

- vi. Attendance record will be maintained by each course instructor in every scheduled lecture, tutorial and practical classes. The programme coordinator will maintain and consolidate attendance record for the course in hard copy and through online (ERP) system as well.
- vii. Attendance of students in every course will be visible through student's IMS (ERP) account and students are advised to observe the status of their attendance record in every course on regular basis.
- viii. Before the end semester examination, office of Academics will release the list of students having less than 75 % attendance, based on the data received from all the departments in various courses, who will not be allowed to appear in the end semester examination.
- ix. Marks will be awarded in subsequent slabs of having attendance (details provided in point 11).

### 7.1 Absence during Semester

- i. A student must inform to the HOD office immediately of any instance of continuous absence from classes.
- ii. A student who has been absent from mid semester examination due to illness should approach the programme coordinator for a make-up examination, immediately on return to class. The request (in a proper format) should be supported with all valid medical documents certified by institute's medical officer
- iii. In case of absence on medical grounds or other special circumstances, before or during the end semester examination period, the student can apply for I-grade. 75% attendance in a course is necessary for being eligible for an I-grade in that course. An application requesting I-grade should be made at the earliest but not later than one week before the commencement of end semester examinations. The application should be written to the Head of the Department of the student's programme who will grant approval depending on the merit of the case and inform the programme coordinator and Dean Academics office.
- iv. If any student is absent for 1 to 15 days without obtaining any prior and proper approval/ sanction of leave from the Head of the Department, then it will be treated as an act of indiscipline.
- v. If any student is absent for 16 or more than 16 days without obtaining any prior and proper approval/ sanction of leave from the Head of the Department, then a warning letter (through email and hard copy to be sent to student's permanent address mentioned in his/ her registration form) shall be issued by the concerned department and if he/ she will not respond in written against that warning letter within five (5) working days then the process of cancellation of registration of that student shall be initiated by the office of Academics based on the subsequent recommendations from

office DAC-UG and office of Head of that concerned department.

- vi. In case the period of absence on medical grounds is more than 20 working days during the semester, a student may apply for withdrawal from the semester, i.e., withdrawal from all courses registered in that semester. Such application must be made as early as possible and latest before the last teaching day. No applications for semester withdrawal will be considered after the last teaching day. The Dean (Academics) depending on the merit of the case will approve such applications. Partial withdrawal from courses registered in a semester is not allowed
- vii. If a student is continuously absent from the institute for more than 20 working days without notifying the Dean (Academics) through concerned Head of the Departments, his/her registration will be automatically cancelled for that semester.

## 8. Degree Requirement

- i. Credit requirements: Minimum earned credit requirements for the award of degree is **175** with a CGPA of not less than 5.0.
- ii. The minimum duration for a student for complying with the degree requirement is four academic years from the date of first registration for his/her first semester.
- iii. The maximum duration for a student for complying with the degree requirement is eight academic years from the date of first registration for his/her first semester.

### 8.1 Course Structure

S. No.	Courses	Credits
1.	Basic Science Courses	≥ 24
2.	Departmental Core Courses	≥ 60
3.	Other Engineering Core Courses	≥ 30
4.	Humanities and Social Science Courses	≥ 10
5.	Departmental Elective Courses	≥ 15
6.	Open Elective Courses	≥ 03
7.	Mandatory Courses (Detail in point 8.1.1)	≥ 09

					Practical Class: 3 hours/ week

### 8.3 Major Project

The major project is a **14** credits course

It carries 04 credits in seventh semester and 10 credits in eighth semester.

### 8.4 Minimum and Maximum Credit in a Semester

Credits to be Registered	Condition	No. of Credits
Minimum Credits	--	<b>16</b>
Maximum Credits	Inclusive of backlog courses registered in study mode.	<b>32</b>
Maximum Credits	Inclusive backlog subject registered in study mode as well as examination mode.	<b>35</b>

### 8.5 Audit Course

Student may take audit course during his degree with the permission of instructor. A student may apply for changing a credit course to an audit one within one week of the end of the mid semester examination, based on the circulation/notification from the office of Dean Academics. Audit is not allowed in any first year course and also for any core course. The credit of the courses which are audited will not be counted in the final degree requirements.

### 8.6 Summer Internship

There will be two summer internship courses of 01 credits each during B. Tech. course. Internship I can be carried out during the summer after the completion of fourth semester and Internship II will be during the summer after the completion of sixth semester. Credits of these courses will be added in fifth and seventh semester respectively, after proper evaluation in the departmental level. The students can do above summer internships in Industries/ Academia only during the summer period mentioned in the academic calendar, after proper recommendation/ approval through the concerned department.

### 8.7 Self Study Course

Maximum two courses can be taken as self-study course, depending on the notification based from concerned department. The self-study course will be only in study mode and student has to go through continuous assessment, mid semester examination and end semester examination of that course. There will be no attendance requirement for self-study course. The fee for the self-study course will be as per the fee structure defined from time to time.

### 8.8 Adding and Dropping/Withdrawal of Course(s)

The addition and dropping/ withdrawal of courses may be accomplished subject to following conditions:

- The choice of elective/ open elective courses will be based on the pre-registration basis, which has to be completed well in advance before the semester registration.
- There may be a provision for adding/ dropping/ switching of elective/ open elective courses within 2 weeks of commencement of semester only, with the concerned from department. After that no such above modification will be entertained.

- iii. There may be a minimum 20% of the total strength of the students in the class required to conduct any elective courses. However, Head of the Department may be empowered to take the final call based on the need and situation.
- iv. There may be a minimum 20% of the total strength of the students (from other department) required to conduct any open elective course. However, Head of the Department may be empowered to take the final call based on the need and situation.
- v. The 'W' grade is awarded in a course where the student has opted to withdraw from the course.
- vi. In case of switching of courses, the attendance shall be transferred among the faculty members.

### 8.9 Temporary and Permanent Withdrawal from Institute

#### **Temporary Withdrawal:**

Provision of 'temporary withdrawal' from the Institute for the student(s) will be under following guidelines:

- i. A student who has been admitted to a degree program of the Institute may be permitted to withdraw temporarily for a period of one semester or more, from the Institute on grounds of prolonged illness or acute medical problem in person which compelled him/her to stay at home.
- ii. He/she applies to the Institute within 3 weeks of the commencement of the semester or from the date he/she last attended his/her classes whichever is later, stating fully the reasons for such withdrawal together with supporting documents and endorsement of the father/guardian mandatorily.
- iii. The Institute is satisfied that, inclusive of the period of withdrawal, the student is likely to complete his/her requirements for the degree within the time limits as mentioned in the regulations, then only the applications may be considered. There are no outstanding dues or demands from him/her by the Institute/Hall/Department/ Library/Gymkhana/NCC etc.
- iv. A student who has been granted temporary withdrawal from the Institute, will be required to pay the tuition fee and other essential fees/charges for the intervening period till such time as his/her name is borne on the Roll List.
- v. In such a case student will be fully withdrawn from all courses of the semester, no part time basis withdrawal will be allowed.
- vi. A student will be granted only one such temporary withdrawal during his/her tenure as a student of the Institute.
- vii. Under no circumstances, will an application for semester withdrawal be accepted after the Commencement of major tests. A student is not permitted to request for semester withdrawal with retrospective effect.
- viii. A student who has been granted a temporary withdrawal on medical grounds will be allowed to rejoin and resume his/her studies only after being declared medically fit by the Institute Medical Officer along with submission of proper medical documents duly verified

by Doctor (With proper registration number and seal of the organization) from Government Medical Organization only.

- ix. A student will be allowed to join in Autumn/ Spring semester only, if he/she has been withdrawn in any previous Autumn/ Spring semester i.e. if a student has been withdrawn in third semester, then he/ she will be allowed to join back in the next or subsequent third semester only, when it will appear next. This way he/ she will be in a loss of one academic year at least.

### **Permanent Withdrawal:**

Once the admission for the year is closed, the following conditions govern for permanent withdrawal of admissions:

- i. A student, who wants to leave the Institute for good, will be permitted to do so, only after clearing all the dues, if any. Also, all the fees and charges already paid will not be refunded on any account.
- ii. Those students who have received any scholarship, stipend or other forms of assistance from the Institute shall repay all such amounts.
- iii. The decision of the Director of the institute regarding all aspects of withdrawal of a student shall be final and binding.

## **9. Promotion Rules**

There are no restrictions for promotion from odd semester to even semester, however restrictions are imposed for promotion from even to odd semester. These restrictions are as follows:

### **9.1 From I Year to II Year**

To be able to register in the third Semester, a student should have completed, with D or better grade, at least 30 credits at the end of first year (in first and second semesters and make up examinations put together).

### **9.2 From II Year to III Year**

For promotion to Third year, a student should have (i) Cleared all the Course Work requirements of First Year and (ii) passed, with D or better Grade, at least 30 credits at the end of second year (third Semester, fourth semester and make up examinations put together).

### **9.3 From III Year to IV Year**

For promotion to Fourth year, a student should have (i) Cleared all the Course Work requirements of first year, second year and (ii) passed, with D or better Grade, at least 30 credits at the end of third year (fifth semester, sixth semester and make up examinations put together).

## 10. Grading System and Evaluation

The grades and their description, along with equivalent numerical points wherever applicable are listed below:

Grade	Grade Points	Description
A+	10	Outstanding
A	9	Very Good
B+	8	Good
B	7	Average
C	6	Below Average
D	5	Marginal
F	0	Fail
R	0	Insufficient Attendance
NP	-	Audit Pass
NF	-	Audit Fail
I	-	Incomplete
W	-	Withdrawal
S	-	Satisfactory Completion
U	-	Unsatisfactory

The norms for the award of the letter grade are as follows:

- No student can be awarded D or better grade without securing at least 30% marks in any course.
- It is also mandatory that the student should secure at least 30% marks in the End Semester examination in the subject for award of D or better Grade.
- The Grading shall be relative grading system.

### 10.1 Description of Grades

#### 'A+' Grade

- The 'A+' grade stands for outstanding achievement. The minimum percentage for the award of an 'A+' grade is 80% at least. However, individual course coordinators may set a higher performance requirement. 'A+' grade may be given to a maximum of 5% students registered in a course.

#### 'A, B+, B, C, D' Grades

- The class average marks (after excluding the marks obtained by students with A+ and F grade) should be in the mid – range of B grade and other grade (A, B+, C and D) ranges are to

be fixed appropriately, so that, the distribution of number of students in the pass grades is a “near normal bell curve”.

**‘F’ Grade**

- The ‘F’ grade denotes poor performance and indicates failing a course.
- A student has an option to take the course with F grade either in study mode or examination mode when offered next.
- A student with F grade is also eligible to take Make-up Examination (see rule for Make-up examination: point no. 13).
- In case of the elective courses in which F grade has been obtained the student may take the same course or any other course from the same category.
- When a student gets F grade in any subject(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated by taking 'zero point' for these subject(s). After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after taking into account the new grades.

**‘R’ Grade**

- Students not having the mandatory requirement of minimum 75% attendance in any subject(s), shall not be permitted to appear for the end semester examination in that particular subject(s) and is awarded ‘R’ Grade in that subject(s). Such student has to register/repeat in study mode for the subject in which he/she has shortage of attendance, as and when the course will be offered next.
- When a student gets ‘R’ grade in any subject(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated by taking 'zero point' for these subject(s). After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after taking into account the new grades.

**‘NP and NF’ grades**

- The NP Grade denotes completion of the Audit course. The NF grade denotes Audit fail. These grades are awarded in a course that the student opts to audit. Only an elective course can be audited until one week after the mid semester examination. The Audit Pass (NP) is awarded if the student’s attendance is above 75% in the class and he/she has obtained at least a D grade. The Course Coordinator can specify a higher criterion for audit pass at the beginning of the semester. If either of these requirements is not fulfilled, an audit fail (NF) is awarded. The grades obtained in an audit course are not considered for the calculation of SGPA or CGPA.

**‘T’ grade**

- If a student misses the end-semester examinations due to a compelling reason like serious illness of himself/ herself which necessitates hospitalization or a calamity in the family, he/she may appeal to the Dean Academics before commencement of examination through his/her Head of the Department and Institute Medical Officer for permitting himself/ herself to appear in the subsequent examination(s), when conducted next. A

committee consisting of the following members may, after examining the documents and being convinced about the merit of the case, recommend permitting him/her to appear in the subsequent re-examination(s), when conducted next, condoning his/her absence. In such cases transitory grade 'I' is temporarily awarded to the student in the subject.

**Sub - committee:**

- i. Dean-Academic, Chairman.
- ii. Dean- Student welfare, Member.
- iii. Concerned Head of the Department, Member.
- iv. The Institute Medical officer, Member.

The Assistant Registrar (Academic) - will assist the committee.

When a student gets I Grade for any subject(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated ignoring this (these) subjects. After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after taking into account the new grades.

• **'W' Grade**

The 'W' grade is awarded in a course where the student has opted to withdraw from the course.

• **S and U grades**

The S grade denotes satisfactory performance and completion of a course. The U grade denotes unsatisfactory performance of a course and if it is a mandatory course, the student will have to register for the course until he/she obtains the S grade. The specific courses in which S/U grades are awarded are NCC/NSO/NSS, Extra Curricular Activity.

## 10.2 SGPA & CGPA

Semester Grade Point Average (SGPA) will be computed for each semester. The SGPA will be calculated as follows:

$$SGPA = \frac{\sum_{i=1}^n C_i GP_i}{\sum_{i=1}^n C_i}$$

where  $C_i$ =credit for the course.

$GP_i$ =the grade point obtained for the course.

$n$ =number of subject register for the semester.

Starting from second semester a Cumulative Grade Point Average (CGPA) will be computed for every student at the end of every semester. The CGPA would give the Cumulative performance of the student from the first semester up to the end of the semester to which it refers and calculated as follows:

$$CGPA = \frac{\sum_{i=1}^n S_i C_i}{\sum_{i=1}^n C_i}$$

where  $S_i$ =SGPA of the semester.

$C_i$ =total number of credits register for during a particular semester.

$n$ =number of semester under consideration.

**10.2.1** The CGPA, SGPA and the grades obtained in all the subjects in a semester will be communicated to every student at the end of every semester except eighth semester. In its place a consolidated grade sheet is issued. This consolidated grade sheet supersedes all the earlier grade sheets.

**10.2.2** Both SGPA and CGPA will be rounded off to the second place of decimal and recorded as such. Whenever these grade point averages are to be used for the purpose of determining the inter se merit ranking of a group of students, only the rounded off values will be used.

## 11. Assessment of Academic Performance

**(a) Theory Course:** 100 marks with the following weightages:

<b>Continuous Evaluation</b>	<b>20 Marks</b>
<b>Mid Semester Examination</b>	<b>25 Marks</b>
<b>Marks due to Course Attendance</b>	<b>5 Marks (Maximum)</b>
<b>End Semester Evaluation</b>	<b>50 Marks</b>

- Continuous evaluation comprises of class tests/surprise tests/assignments/quizzes, which will be decided by course coordinators.
- Maximum 5 marks for course attendance is distributed as follows:

Attendance to be rounded off to nearest integer.

<b>Attendance (in %)</b>	<b>Marks</b>
75% Above	3
80% and Above	4
90% and Above	5

**(b) Laboratory Course:** 100 marks with the following weightages:

<b>Continuous Evaluation</b>	<b>50 Marks</b>
<b>End Semester Examination</b>	<b>50 Marks</b>

The components of continuous evaluation, may be taken as following example for evaluation:

- For Every laboratory course there will be 5 marks. Suppose number of labs conducted is 14 in that semester then 70 marks will be scaled down to 50 for continuous evaluation and if number of labs conducted is 8 then the 40 marks will be scaled up to 50.

- 5 marks of each laboratory will be given on following breakups by scaling down of total 50 marks.

1. Laboratory Report of Previous Experiment - 10 marks
2. Viva Voce of Present experiment - 20 marks
3. Performance in Present experiment - 20 marks

The mode and nature of the evaluation and the corresponding weightages, for the subcomponent shall be intimated to the students at the beginning of the semester along with the lecture schedule.

### **(c) Theory Course with Laboratory**

A course having theory as well as laboratory component, will be evaluated with 60% weightages to theory and 40 % weightages to laboratory for overall grading, with independent marking system given above for theory and laboratory courses.

- Details of project work evaluation is provided in Appendix -I.
- Guidelines for preparation of project report is provided in Appendix VI.

## **12. Mid Semester and End Semester Examinations:**

The mid-semester examination will be conducted usually after 7 or 8 weeks of commencement of the course, as notified in the academic calendar. The mid semester and end semester examinations will be conducted centrally by the examination section.

As the persons in charge of the Departments/Hostels, the respective functionaries of all Teaching Departments and Hostels shall have the power and duty to take immediate action to curb any prohibitory behavior as envisaged under this code. As these functionaries cannot single handedly manage all the issues, they can assign part of the work to the teachers and the teachers of all the departments/wardens have the responsibility to inform any incident of prohibited behavior to the Heads of the Departments / Chief Warden so that any serious issue can be settled before the same goes out of control. The Head of the Departments/ Chief Warden shall have the power to impose minor sanctions as envisaged under section 3(I) of this Code.

They can also recommend imposition of major sanctions as envisaged under Section 3(II) of this Code to the Director. The Head of the Departments/ Faculty Advisors/Chief Warden/ Wardens of Hostels while taking any action as envisaged in the code shall do so in an impartial manner and see to it that the sanction imposed/proposed is commensurate with the gravity of the prohibited behavior. Any lapse on the part of a teacher/ Warden to report any instance of violence and misconduct on the part of the students shall be reported to the Director by the respective Head of the Departments/Chief Warden. The Wardens of Hostels shall be responsible for maintaining strict discipline and decorum in the hostel. He/she shall specifically see to it that the inmates of the hostel do not involve themselves in violation of any clause under Section 2 of this Code.

##### **ii) Deans**

Any authority of the Institute with delegated powers shall have the power to visit/inspect any premises, buildings or any property of the Institute when there is a genuine doubt that any act of prohibited behavior is taking place and can take any lawful actions to curb such behavior. The HODs/ Faculty Advisors/Chief Warden/ Wardens of Hostels shall report to the Dean (Students) any instances of prohibited behavior, who in turn shall bring it to the notice of the Director. The Dean (Students) shall forward the recommendations from the HODs/ Chief Warden to impose a major sanction under Section 3(II) of this Code to the Director after noting his observations. The Dean (Students) can also suo moto recommend action against any student/students indulging in prohibited behavior which is brought to his/ her notice.

##### **iii) Director**

The Director shall be the ultimate authority in imposing major sanctions as envisaged under Section 3(II) against the students for acts of prohibited behavior. The Director can also entertain any appeal from any student/students aggrieved by the action of any authority of the Institute under or subordinate to the Director and decide the case on merit.

**Section 5: Right to Appeal**

The student/students aggrieved by the action of any authority of the Institute under or subordinate to the Director can appeal to the Director and any student aggrieved by the action of the Director can appeal to the Senate. The decision of the Senate shall be final and binding on the students.

**Section 6: Assistance from Law Enforcement Agencies**

The Deans/ HoDs/ Chief Warden shall have the power and duty to call the Police immediately with the concurrence of the Director when there is a threat of Law and Order situation in the Campus and also when there is a genuine apprehension that any incident of rioting, vandalism or any other act prohibited by law is likely to take place. The Deans/ HoDs/ Chief Warden shall in such a case give a detailed report to the Director. The Director/ Deans/ HoDs/ Chief Warden can also arrange for video recording of the entire situation and take requisite actions through police and other concerned authorities.

**Section 7: Grievance Redressal Committee**

The Institute will also set up “Grievance Redressal Committee” where the students can air their grievances. The Committee shall consist of the Deans/ HODs/ Chief Warden and also members of the Parent-Teacher Association. Till these committees are constituted, ad-hoc committees shall be formed by the Director.

**Section 8: Undertaking by the Students**

The students joining any academic program of the Institute will have to give an undertaking to the effect that he/she will comply with the provisions envisaged in this Code in letter and spirit and even if it is not given them as well, will be bound by the provisions of this Code.

**Section 9: Opportunity for Hearing**

No order other than the order suspending or warning a student shall be passed without giving an opportunity of hearing to the Student/Students.

**Section 10: Ultimate Authority**

For all disciplinary matters related to students, the Director shall be the ultimate authority as provided herein.

**Section 11: Amendments to the Code**

The Senate of the Institute shall have the power to amend any of the provisions in this Code. The amendments shall be brought to the notice of the students and faculty of the Institute through notice put on the Institute web site, notice boards of the Institute or through emails.

**APPENDIX V****GUIDELINES FOR PREPARATION OF PROJECT WORK REPORT****Preamble**

While utmost attention must be paid to the content of the Project Work, which is being submitted in partial fulfilment of the requirements of the B. Tech degree, it is imperative that a standard format be prescribed. The project report should be of minimum 40 pages excluding index and references. It is mandatory that project report submitted for evaluation is checked for plagiarism. A report generated by the software needs to be submitted along with the project report. The % of allowable similar content will be notified by Dean (A) from time to time.

**1. Organization of the Project Work**

The Project report shall be presented in a number of chapters starting with Introduction and ending with Summary and Conclusions. Each of the other chapters will have a precise title reflecting the contents of the chapter. A chapter can be subdivided into sections, subsections and sub section so as to present the content discretely and with due emphasis. When the work comprises two or more mutually independent investigations, the report may be divided into two or more parts, each with an appropriate title. However, the numbering of chapters will be continuous right through.

**1.1 Introduction**

The title of Chapter 1 shall be Introduction. It shall justify and highlight the problem posed, define the topic and explain the aim and scope of the work presented in the report. It may also highlight the significant contributions from the investigation.

**1.2 Review of Literature**

This shall normally form Chapter 2 and shall present a critical appraisal of the previous work published in the literature pertaining to the topic of the Investigation. The extent and emphasis of the chapter shall depend on the nature of the investigation.

**1.3 Report on the present investigation**

The reporting on the investigation shall be presented in one or more chapters with appropriate chapter titles. Due importance shall be given to experimental setups, procedures adopted, techniques developed, methodologies developed and adopted. While important derivations/formulae should normally be presented in the text of these chapters, extensive and long treatments, copious details and tedious information, detailed results in tabular and graphical forms may be presented in Appendices. Representative data in table and figures may, however, be included in appropriate chapters. Figures and table should be presented immediately following their first mention in the text. Short tables and figures (say, less than half the writing area of the page) should be presented within the text, while large table and figures may be presented on separate pages. Equations should form separate lines with appropriate paragraph separation above and below the equation line, with equation numbers flushed to the right.

### **1.4 Results and Discussion**

This shall form the penultimate chapter of the report and shall include a thorough evaluation of the investigation carried out and bring out the contributions from the study. The discussion shall logically lead to inferences and conclusions as well as scope for possible further future work.

### **1.5 Summary and Conclusions**

This will be the final chapter of the report. A brief report of the work carried out shall form the first part of the Chapter. Conclusions derived from the logical analysis presented in the Results and Discussions Chapter shall be presented and clearly enumerated, each point stated separately. Scope for future work should be stated lucidly in the last part of the chapter.

### **1.6 Appendix**

Detailed information, lengthy derivations, raw experimental observations etc. are to be presented in separate appendices, which shall be numbered in Roman Capitals (e.g. "Appendix IV"). Since reference can be drawn to published/unpublished literature in the appendices these should precede the References section.

### **1.7 References**

This should follow the Appendices, if any, otherwise the Summary and Conclusions chapter. The candidates shall follow the style of citation and style of listing in one of the standard journals in the subject area consistently throughout his/her report, for example, IEEE in the Department of Electrical Engineering, Materials Transactions in Department of Metallurgical Engineering and Materials Science. However, the names of all the authors along with their initials and the full title of the article/monogram/book etc. have to be given in addition to the journals/publishers, volume, number, pages(s) and year of publication. Citation from websites should include the names(s) of author(s) (including the initials), full title of the article, website reference and when last accessed. Reference to personal communications, similarly, shall include the author, title of the communication (if any) and date of receipt.

### **1.8 Acknowledgements**

The acknowledgments by the candidate shall follow the References, signed by him/her, with date.

## **2. Project Work Format**

### **2.1 Paper**

#### **2.1.1 Quality**

The report shall be printed or photo copied on white bond paper, whiteness 95% or above, weight 70 gram or more per square meter.

#### **2.1.2 Size**

The size of the paper shall be standard A4; height 297 mm, width 210 mm.

**2.1.3 Type Setting, Text Processing and Printing**

The text shall be printed employing LaserJet or Inkjet printer, the text having been processed using a standard text processor. The standard font shall be Times New Roman of 12 pts with 1.5 line spacing.

**2.1.4 Page format**

The Printed Sheets shall have the following written area and margins:

Top Margin 15 mm

Head Height 3 mm

Head Separation 12 mm

Bottom Margin 22 mm

Footer 3 mm

Foot Separation 10 mm

Text Height 245 mm

Text Width 160 mm

When header is not used, the top margin shall be 30 mm.

Left and Right Margins

Single sided

Left Margin 30mm

Right Margin 20mm

**2.1.5 Pagination**

Page numbering in the text of the report shall be Hindu Arabic numerals at the centre of the footer. But when the candidate opts for header style the page number shall appear at the right and left top corner for the odd and even number pages, respectively. Page number "1" for the first page of the Introduction chapter shall not appear in print; only the second page will bear the number "2". The subsequent chapters shall begin on a fresh page. When header style is chosen, the first page of each chapter will not have the header and the page number shall be printed at the centre of the footer. Pagination for pages before the Introduction chapter shall be in lower case Roman numerals, e.g., "iv"

**2.1.6 Header**

When the header style is chosen, the header can have the Chapter number and Section number (e.g., Chapter 2. Section 3) on even numbered page headers and Chapter title or Section title on the odd numbered page header.

### **2.1.7 Paragraph format**

Vertical space between paragraphs shall be about 2.5 line spacing. The first line of each paragraph should normally be indented by five characters or 12mm. A candidate may, however, choose not to indent if he/she has provided sufficient paragraph separation. A paragraph should normally comprise more than one line. A single line of a paragraph shall not be left at the top or bottom of a page (that is, no windows or orphans should be left). The word at the right end of the first line of a page or paragraph should, as far as possible, not be hyphenated.

## **2.2 Chapter and Section format**

### **2.2.1 Chapter**

Each chapter shall begin on a fresh page with an additional top margin of about 75mm. Chapter number (in Hindu-Arabic) and title shall be printed at the centre or the line in 6mm font size (18pt) in bold face using both upper and lower case (all capitals or small capitals shall not be used). A vertical gap of about 25mm shall be left between the Chapter number and Chapter title lines and between chapter title line and the first paragraph.

### **2.2.2 Sections and Subsections**

A chapter can be divided into Sections, Subsections and sub sections so as to present different concepts separately. Sections and subsections can be numbered using decimal points, e.g. 2.2 for the second section in Chapter 2 and 2.3.4 for the fourth Subsection in third Section of Chapter 2. Chapters, Sections and Subsections shall be Included in the contents with page numbers flushed to the right Further subsections need not be numbered or included in the contents. The section and Subsection titles along with their numbers in 5 and 4mm (16 and 14 pt) fonts, respectively, in bold face shall be flushed to the left (not cantered) with 15 mm space above and below these lines. In further subdivisions character size of 3 and 3.5 mm with bold face, small caps, all caps and italics may be used for the titles flushed left or cantered. These shall not feature in the contents.

### **2.2.3 Table / Figure Format**

As far as possible, tables and figures should be presented in portrait style. Small size table and figures (less than half of writing area of a page) should be incorporated within the text, while larger ones may be presented on separate pages. Table and figures shall be numbered chapter wise.

For example, the fourth figure in chapter 5 will bear the number Figure 5.4 or Fig 5.4 Table number and title will be placed above the table while the figure number and caption will be located below the figure. Reference for Table and Figures reproduced from elsewhere shall be cited in the last and separate line in the table and figure caption, e.g. (after McGregor[12]).

## **3 Auxiliary Formats**

### **3.1 Binding**

The evaluation copies of the Project Work report may be spiral bound or soft bound. The final hard bound copies to be submitted after the viva-voce examination will be accepted during the submission of Project report with the following colour specification:

## **B. Tech Project Work**

### **3.2 Front Covers: Black color with golden text**

The front covers shall contain the following details:

Full title of report in 6mm 22 point's size font properly cantered and positioned at the top. Full name of the candidate in 4.5 mm15 point's size font properly cantered at the middle of the page. A 40 mm dia replica of the Institute emblem followed by the name of department, name of the Institute and the year of submission, each in a separate line and properly cantered and located at the bottom of page.

#### **3.2.1 Lettering**

All lettering shall be embossed in gold.

#### **3.2.2 Bound back**

The degree, the name of the candidate and the year of submission shall also be embossed on the bound (side) in gold.

### **3.3 Blank Sheets**

In addition to the white sheets (binding requirement) two white sheets shall be put at the beginning and the end of the report.

### **3.4 Title Sheet**

This shall be the first printed page of the report and shall contain the submission statement: the Project Work Report submitted in partial fulfilment of the requirements of the B. Tech Degree, the name and Roll No. of the candidate(s), name(s) of the Supervisor and Co supervisor(s) (if any), Department, Institute and year of submission.

### **3.5 Dedication Sheet**

If the candidate so desires(s), he/she may dedicate his/her report, which statement shall follow the title page. If included, this shall form the page 1 of the auxiliary sheets but shall not have a page number.

### **3.6 Approval Sheet**

In the absence of a dedication sheet this will form the first page and in that case shall not have a page number. Otherwise, this will bear the number two in Roman lower case "ii" at the centre or the footer. The top line shall be:

Project Work Approval for B. Tech

### **3.7 Abstract**

The 500 word abstract shall highlight the important features of the

Project Work and shall correspond to the electronic version to be submitted to the Library for inclusion in the website. The Abstract, however, shall have two more parts, namely, the layout of the report giving a brief chapter wise description of the work and the key words.

### **3.8 Contents**

The contents shall follow the Abstract and shall enlist the titles of the chapters, section and subsection using decimal notation, as in the text, with corresponding page number against them, flushed to the right.

#### **3.8.1 List of Figures and Tables**

Two separate lists of Figure captions and Table titles along with their numbers and corresponding page numbers against them shall follow the Contents.

### **3.9 Abbreviation Notation and Nomenclature**

A complete and comprehensive list of all abbreviations, notations and nomenclature including Greek alphabets with subscripts and superscripts shall be provided after the list of tables and figures. As far as possible, generally accepted symbols and notation should be used.

Auxiliary page from dedication (if any) to abbreviations shall be numbered using Roman numerals in lower case, while the text starting from the Introduction shall be in Hindu Arabic. The first pages in the both the cases shall not bear a page number.

#### **3.10 A Declaration of Academic Honesty and Integrity**

A declaration of Academic honesty and integrity is required to be included along with every Project report after the approval sheet.
